Sewing Classes

Sewing 101 – How to Use a Sewing Machine

1 1/2 hours, \$35 class fee

maximum 5 students

Learn how to thread, operate, and troubleshoot a sewing machine, as well as hand-positioning and sewing at speed. Students will make a small project and become comfortable and confident operating a sewing machine.

Saturday, March 2, 2 pm

Saturday, March 30, 10:30 am

Sewing 102 - Intro to Garment Construction

1 1/2 hours, \$35 class fee

maximum 5 students

Learn how to measure the body, choose an appropriate pattern, read pattern instructions, trim and lay out your pattern pieces, and transfer pattern markings.

Saturday, February 17, 2 pm

Sewing 201 - Sewing Your First Shirt

3 hours, \$65 class fee

maximum 5 students

Make a woven fabric shirt. Learn how to sew bust darts, side seams, facings, and hems. A list of suggested patterns will be provided. Students should have taken Sewing 101 & 102 prior to class, or possess comparable skills.

Time TBD.

Sewing 202 - Making a Simple Skirt

3 hours, \$65 class fee

maximum 5 students

Sew a woven fabric skirt. Learn how to install pockets, waist darts, and a waistband as well as grade seams and make a narrow hem. Choose one of our suggested patterns, or seek out your own!

Time TBD.
